

Kenogamisis Golf Club Update - April 18/21

As you may be aware, the Province of Ontario has extended the provincial Stay at Home Order until May 20th. In addition, they have ordered all golf courses to close operations to golfers. While this puts a damper on a possible early opening, it will provide additional time for course staff to work on preparing the course for the upcoming golf season. Golf course maintenance is still permitted under this golf closure order providing Covid protocols are adhered to.

In other unfortunate news, the Board was made aware by the Municipality that they have received notice from Greenstone Gold that they will be exercising their option to begin work on mining operations within 30 days. This will be discussed further at the next Municipal Council Meeting. As a result, we will not have access to the Back 9 effective immediately. We are awaiting clarification on whether or not we will still have access to the driving range. The Kenogamisis Management Board will be discussing this matter and its ramifications further at its next virtual meeting on April 19th.

Please visit our website www.kenogamisisgolfclub.com or our Facebook page at Kenogamisis Golf Club for further updates which we will continue to provide as soon as possible as they become available.
